There's a place in my head  
A place I know I really shouldn't go  
But I'm easily lead  
I seem to have a problem saying 'no'

And you think it's a front  
So it doesn't really matter all that much  
A publicity stunt  
A fabricated tendency to self-destruct

Ahh... ah...

There's a place in my head  
A place I know I really shouldn't go  
But I'm easily lead  
I seem to have a problem saying 'no'

And you turn a blind eye  
Because it's just another phase I'm going through  
Well what good is good-bye?  
These things have a habit of haunting you

I just can't seem to trust myself  
So what chance does that leave for anyone else?

I'm my own worst enemy  
But you ain't seen the end of me...

I just can't seem to trust myself  
So what chance does that leave for anyone else?

Ahh... ah...  
(I'm my own worst enemy)  
But you ain't seen the end of me...  
Ahh... ah...

I'm my own worst enemy  
But you ain't seen the end of me...

[Whisper]  
I'm my own worst enemy
