I like the east I like the west  
I like the north but I must confess  
My favorite place to party is the south  
Because they've got the funnest girls around  
They blow my mind  
When I'm south of that ole Mason Dixon line

#### CHORUS

Southern girls play all night  
They know how to have a good time  
They can dance all night long  
To an Alan Jackson song  
From Florida up to Tennessee  
They rock my world... Southern Girls...

I've been to Vegas and Mexico

I've been to Hollywood and I know  
The best place to party is the south  
Because they've got the funnest girls around  
They blow my mind  
When I'm south of that ole Mason Dixon line

#### CHORUS

To an Alabama song  
From Texas over to Caroline  
They rock my world... Southern Girls...

#### BRIDGE

And when it's time to settle down  
I'll find my girl in a southern town

#### CHORUS

To a Waylon Jennings song  
From Kentuck down to Mississipp
