Ah look what they've done to the rock'n'roll clown  
Ah rock'n'roll clown, look he's down on the ground  
Well he used to high fly but he crashed out the sky  
In a stardust fling, hey rock 'n roll king is down

Roll on up, won't you come and take a look at me  
Roll on up, come one at a time, and see me  
See my painted-on grin as a stand up to sing  
In a stardust fling, hey rock'n'roll king is down

But he's the leader of the band  
He is a lonely man  
Don't you wanna take his hand  
Yes you know you can, can, can

Well he used to high fly but he crashed out the sky  
In a stardust fling, hey rock'n'roll king is down  
In a stardust fling, hey rock'n'roll king is down  
In a stardust fling, hey rock'n'roll king is down
