Hey, little honey  
Ain't got no money  
But I'll show you a real good time  
You got me spinnin'  
I know you're willin',  
So let's get down to feelin' fine

You can have a piece, a piece, a piece  
A piece of my love

You're stayin' in my house  
And you're always on my telephone  
But I don't mind as long as you do  
What you're been to  
I know you're young  
But don't have any regrets

You drive me crazy  
You're my kind of lady  
So please leave a rest for awhile  
You know you treat me unkind  
But I like your mind, you know  
You're just my style  
You can have a piece, a piece, a piece  
A piece of my love

You're goin' in again  
But I hope you're gonna back soon  
My temperature is burnin'  
And I miss you even more just now  
I'm a good lovin' man  
And a good lady never forgets  
You drive me crazy  
You're my kind of lady  
So please leave a rest for awhile  
You know you treat me unkind  
But I like your mind, darling  
You're just my style  
You can have a piece, a piece, a piece  
A piece of my love

You're stayin' in my house  
And you're always on my telephone  
But I don't mind as long as you do  
What you're been to  
I know you're young  
But don't have any regrets  
Oh baby, don't you have any regrets
