Bitty boppy Betty, bitt boppy Betty, bitty boppy Betty  
booboo,  
On weekends she's your honey, then comes Monday,  
and that'll be sir to you.

Bitty boppy Betty, better known as billy, he's the up and  
coming local DA  
A fearless crime fighter, political insider, sure to be  
mayor one day  
But after work on fridays, off comes his necktie, and on  
come her diamonds and pearls  
You better get ready, cause now billy's betty,  
everybody's favorite girl.

In the belly of the city, that's where you'll find betty,  
Friday to Sunday night  
Is she working under cover, or just a fun mother, either  
way that's alright.

Bitty boppy Betty, what a bouncing beauty, so  
sophisticated and refined  
She's a boy who doesn't show it, and though the guys  
all know it, none of them seem to mind  
When betty starts a boppin, the joint starts a hoppin,  
she can twist and dance the whole night through  
You really can't ignore here, and if you don't adore her,  
there might be something wrong with you.

On Mondays bright and early, Betty's back to Billy,  
working hard on behalf of our town,  
Upholding law and order, talking to reporters, and  
keeping us safe and sound  
If there's a moral to this ditty, it's not to judge Betty,  
Billy or anyone,  
cause life's a lot richer with a healthy mixture, not to  
mention lots more fun!

Bitty boppy Betty, bitty boppy Betty, bitty boppy Betty  
booboo,  
On weekends she's your honey, then comes Monday,  
and that'll be sir to you.
