Hey Eugene do you remember me?
I'm that chick you danced with two times through the
Rufus album Friday night at that party
On Avenue "A"
Where your skinhead friend passed out for several
hours on the bathroom floor
And you told me
You weren't that drunk, and that I was your favorite
Salsa dancer you had ever come across in New York
city

Eugene
Eugene
Eugene
I said hello
Eugene
Are you there Eugene

Hey Eugene, then we kissed once we lugged your
friend into the elevator and went to write my number on
a soggy paper towel
And the car went down
And when we were finished making out we noticed that
your skinhead friend was gone. Long gone.
And you looked into my bloodshot eyes and said is it
too soon if I call you Sunday

Eugene
Eugene
Eugene
I said hello, Eugene
Are you there, Eugene

I said hello (hello), Eugene (Eugene)
Eugene (Eugene)
Eugene (oh yeah)

I said hello (hello), Eugene
Are you there, Eugene (tell me are you there)

I said hello (hello), Eugene (Eugene)
Eugene (Eugene)

Eugene (tell me oh)

I said hello (hello), Eugene (Eugene)
Does any of this ring a bell Eugene?
