[Chorus]

Sometimes I wonder, are you down for me
Even when the chips are down girl
Will you ride for me?
Cause you're my inspiration
We're amongst the world
Now you're scratchin like some people
But all I see is you
Sometimes I wonder

Wonder what you thinkin? Wonder if it's me
Wonder what you wearing, sippin champagne
While I'm looking up to heaven
Can't forget the times we shared, baby
Need some of that back, want all of that back
Girl you can't stand my lifestyle
But trust is all we have
I know you hate it when I'm comin baby
But you know I'm comin back home
You know your beauty is rare
Wouldn't bring these things up if I ain't even care
I paint a picture like Picasso
This loving that we got, I can feel it for no one else

[Chorus]

Sometimes I wonder, are you down for me
Even when the chips are down girl
Will you ride for me?
Cause you're my inspiration
We're amongst the world
Now you're scratchin like some people
But all I see is you
Sometimes I wonder

You know that I want this love
And you know that it's only high
So why you trippin on the little things that don't mean
nothing
I do this all for you
I lean my heart to you
But you don't never hear me
Cause you swim I ...even true

Baby, it's now or never, I ain't looking back
You're my future, my life, and all that I have
Yeah, look in my eyes baby
Believe me,

[Chorus]

Sometimes I wonder, are you down for me
Even when the chips are down girl
Will you ride for me?
Cause you're my inspiration
We're amongst the world
Now you're scratchin like some people
But all I see is you
Sometimes I wonder
Sometimes I wonder
