And it goes, doo wah doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady"

I said, "Alright goodnight
Wake me when you change your mind"

'Cause I don't wanna see your bedroom sugar
I'm not looking for love and she says
"I don't wanna be the girl
In your backseat tonight"

And it goes doo wah doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady"

I said, "Alright goodnight
Wake me when you change your mind"

What are you doing in that short skirt sugar?
You can't be lookin' for love
There's no time for fool around
When I'm in another town tomorrow

And it goes doo wah doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady"

I said, "Alright goodnight
Wake me when you change your mind"

And it goes doo wah doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady"

I said, "Alright goodnight
Wake me when you change your mind"

Wake me when you change your mind
Wake me when you change your mind
Wake me when you change your mind
Wake me when you change your mind
