Hey, hey, little razorblade  
Girl, you're so so dangerous  
You say you wanna try and get away  
And that's just so obvious

I got the keys so let's put it into drive

Hey, hey, little razorblade  
Girl, you're so so serious  
You're only pretty when you walk away  
And you act oblivious

I got the keys so let's put it into drive

But don't call it a crush  
Don't call it a crush  
Baby, you know I love you too much  
To be crushed like that  
To be crushed like that

Give back my heart tonight  
I'm sick of never smiling 'cause you're so uptight  
'Cause we know it's not alright  
But neither one of us is putting up a fight

And you're right that it's wrong  
To spend the night alone  
You stand on the shore as I'm treading water  
Wave as I sink like a stone

Hey, hey, little razorblade  
Girl, you're so so obnoxious  
This lucid dream is now reality  
And it makes me so anxious

Hey, hey, little razorblade  
Girl, you're so, so dangerous  
You say, you wanna try and get away  
And that's just so obvious

But I got the keys so let's put it into drive

But don't call it a crush  
Don't call it a crush  
Baby, you know I love you too much  
To be crushed like that  
To be crushed like that

Don't call it a crush  
To be crushed like that  
Don't call it a crush  
To be crushed like that

Don't call it a crush  
To be crushed like that  
Don't call it a crush  
To be crushed like that
