She's out of luck and out of hoping, out of cigarettes  
Misunderstood with naked pictures on the internet  
Her social deviance is teasing me, I know what I want

And I'm really gonna really let her know  
That I like her but I just don't care enough  
To fool around with love

Yeah, my baby's pretty as a car crash, sexy as a stinger  
Of a hornet in your arm, just another modern swinger  
Screaming, catch me if you can, with a cigarette in  
hand and it's love  
It's heavy and it hurts, and it's love

Strung out on blow, she doesn't know why she's not  
feeling good  
Dropped out of school and now she's moving out to  
Hollywood  
Her reckless decadence is taking things a little too far

And I'm really gonna really let her know  
That I like her but I just don't care enough  
To fool around with love

Yeah, my baby's pretty as a car crash subtle as a  
splinter  
Yeah my baby's smooth like sandpaper, warm just like  
the winter  
Screaming, catch me if you can, with a cigarette in  
hand and it's love

It's heavy and it hurts, and it's love

Staring at my shoes thinking of something to say  
But nothing's better than what silence is saying  
Well, every time I turn around, she's always looking  
away  
It's just the nature of the game that we're playing

And I think I'm tapping out  
I think I'm gonna skip the title bout

Yeah, my baby's pretty as a car crash, sexy as a stinger  
Of a hornet in your arm, just another modern swinger  
Screaming, catch me if you can, with a cigarette in  
hand and it's love  
It's heavy and it hurts

That she's pretty as a car crash, subtle as a splinter  
Yeah my baby's smooth like sandpaper, warm just like  
the winter  
Screaming, catch me if you can, with a cigarette in  
hand and it's love  
It's heavy and it hurts

That's she's pretty as a car crash, sexy as a stinger  
Of a hornet in your arm, just another modern swinger  
Screaming, catch me if you can, with a cigarette in  
hand and it's love  
It's heavy and it hurts, and it's love
