And even when I think I've said it all
I find a tradgedy to break my fall
cause everything I love.. is pain..in motion

It's moving like a ticker {{{tape}}} parade
continuing mistakes I'm glad I made
cause everything that hurts.. converts.. to lyrics

[chorus]
so please pull th curtain
it's not a show
I'm feeling redundant
and I think you should know
It's over, it's over
without inspiration I've got no where to go
stay closer, stay closer
and if the walls got to shakin'
say it like you mean it

presented as a minestry of truth
the gospel of confusion so did you
you don't even make sense
we know..you're fakin'

[chorus]

I put my heart on the line
but it's not manditory
you know why we fell apart
they don't know half the story

I tried to wake it all up
but I was only dreaming
we took the show on the road
and tried to keep them screaming

I put my heart on the line
but it's not manditory
you know why we fell apart
they don't know half the story
I just wanted to do something maybe

[chorus]

walls got to shakin'
say it like you mean it
[repeate to fade]
