1. I've been walkin' on the long life journey, all my life.
My feet are sore, my eyes are tired, all my life.
But I know from the start, you are here in my heart.
I will walk with you, Jesus.

2. I've been list'ning to your saving Word, all my life.
And I shake long when I feel the thunder, all my life.
Ooh! All my life. But I know from the start you are here
in my heart.
I will listen, Lord Jesus, all my life.

3. I've been searchin' for the way you've called me, all
my life.
On the path I often fall and stumble, all my life,
But I know from the start you are here in my heart.
I will seek you, Lord Jesus.

4. Your song is often hard to sing, all my life.
And my voice gets tired when no one hears me, all my
life.
But I know from the start you are here in my heart.
I will sing for you, Jesus, all my life.

5. I've heard your call to heal and serve, all my life.
And I find it hard to keep the faith, all my life.
But I know from the start you are here in my heart.
I will seek/serve you, Lord Jesus, all my life.
