"Wonder of wonders"

1. Wonder of wonders, life is beginning,
Fragile as blossom, strong as the earth.
Shaped in a person, love has new meaning.
Parents and people sing at their birth.

2. Now with rejoicing, make celebration;
Joyful of promise, laughter through tears.
Naming and blessing, bring dedication,
Humble in purpose over the years.

3. Lord of creation, dying and living,
Father and Mother, Partner and Friend.
Lover of children lift all our loving
Into your kingdom, world without end.
