if you need a shoulder to cry, oh girl you can take mine.  
I will make you happy till I die. if you think you cannot  
go on, I will say it doesn't belong. I would ever help you  
if I could

I'll be there if you need someone to talk with. I'll be  
there if you're feeling sad. I'll be there if you need  
someone to laugh with. 'cause anytime you need me.  
I'll be there.

if you have the feeling that your brain will explode, and  
it will overload. I will be there to hold you tight. if you  
think that everything got lost, what we're dreaming  
about. I will say don't mather it will be better, I'm sure  
because

I'll be there if you need someone to talk with.  
I'll be there if you're feeling sad. I'll be there if you  
need someone to laugh with. 'cause anytime you need  
me. I'll be there.

I'll be there in the morning, in the evening, every day.  
I'll be there to take your problems away  
I'll be there if you need someone to talk with.  
I'll be there if you're feeling sad. I'll be there if you  
need someone to laugh with. 'cause anytime you need  
me. I'll be there.

I'll be there if you need someone to talk.  
I'll be there if you're feeling sad. I'll be there if you  
need someone to laugh with. 'cause anytime you need  
me. I'll be there.

I'll be there. Oh girl. I'll be there
