You can be my lucky star tonight
Baby, keep the fire burnin' bright
 Never say never
 When you're young and in love
 Never need anyone
 Are you still dreamin'?
No nothin' can change when your love is gone
 Be young, be foolish tonight
 But never behave like a child
You can be my lucky star tonight
Baby, keep the fire burnin' bright
 If you win this time my heart
 We can make a brand new start
You can be my lucky star tonight
Baby, come on take me to the night
 Never say never
 There are times in your life
 You've been wondering why
 Are you still dreamin'?
 I'll give you a reason
 To start a new try
 How can I live without love
You are the one I'm dreamin' of
