(Sean Michaels/Mark Selby/Tia Sillars)

Well I've got scars from what you've done  
I'll show em to ya baby one by one  
I took my chances, I wanted more  
I found rust and I found thorns, you're like

Barbed wire, barbed wire and roses  
Cut me so deep you don't even know  
Every time I take a step closer  
I wind up tangled, it's all over  
Ain't worth the pain of tryin' to hold ya  
You're like, barbed wire, barbed wire and roses

You were shiny as gold and sweeter than honey  
It looked to me like you were right on the money  
I scratched the surface, I found the truth  
You're made for hurtin'  
That's whata you do, you're like

Barbed wire, barbed wire and roses  
Cut me so deep you don't even know  
Every time I take a step closer  
I wind up tangled, it's all over  
Ain't worth the pain of tryin' to hold ya  
You're like, barbed wire, barbed wire and roses

Oh and I've got scars from what you've done  
And I'll show em to ya baby one by one  
I took my chances, I wanted more  
I found rust and I found thorns, you're like

Barbed wire, barbed wire and roses  
Cut me so deep you don't even know  
Every time I take a step closer  
I wind up tangled, it's all over  
Ain't worth the pain of tryin' to hold ya  
You're like, barbed wire, barbed wire and roses  
Ain't worth the pain of tryin' to hold ya  
You're like, barbed wire, barbed wire and roses

No you ain't worth the pain of tryin' to hold ya

You're like, barbed wire, barbed wire and roses
