I've never claimed to be a Saint or an angel.  
Lord knows, I haven't always done things right.  
I need a revolution from The Road Less Travelled,  
And I'm a-ready to start my journey tonight.

If stars really are just holes in Heaven,  
And Heaven is shinin' down on me,  
Then I wanna know this life that I've been given,  
Is good enough for Heaven to keep.

I wanna know that my soul'll be satisfied.  
I wanna hand to hold when my heart is tempted an'  
tried.  
This world a-mighta had me bound but now I'm free.  
Oh, the devil might know me, but he can't have a hand  
on me.

I been prayin' so hard, my hands are hurtin'.  
I been a-cryin' so long, my eyes are dry.  
But my heart has the conviction now: I'm certain.  
Don't need to wait for the resurrection to see the Light.

I wanna know that my soul'll be satisfied.  
I wanna hand to hold when my heart is tempted an'  
tried.  
This world a-mighta had me bound but now I'm free,  
yeah.  
Oh, the devil might know me, but he can't have a hand  
on me.

Instrumental break.

Yeah, yeah, yeah:  
I wanna know that my soul'll be satisfied.  
I wanna hand to hold when my heart is tempted an'  
tried.  
This world a-mighta had me bound but now I'm free,  
yeah.  
Oh, the devil might know me, but he can't have a hand  
on me.

Oh, the devil might know me, but he can't have a hand  
on me.

Oh, the devil might know me, but he can't have a hand  
on me.  
Mmm, mmm.

Instrumental close.
