I rode until the day was done,  
An' sank into the setting sun.  
I felt distance breakin' strings,  
But kept my mind on other things.

Just like a flower from the vine:  
I go fallin' all the time,  
I go fallin' all the time.

Mornin' was such a weary sight,  
I lay down an' shut my eyes.  
I dreamt of every mile I'd gone,  
An' promises I counted on.

Just like a flower from the vine:  
I go fallin' all the time,  
I go fallin' all the time.

Instrumental Break.

And every bitter word I said,  
Stays, like whiskey, on my breath.  
Stays, like whiskey, on my breath.

There is another winding road,  
With every secret in my soul.  
Someday, I'll tell you where I've been:  
Baby, I might know by then.

Just like a flower from the vine:  
I go fallin' all the time,  
I go fallin' all the time.

Instrumental Break.

Just like a flower from the vine:  
I go fallin' all the time,  
I go fallin' all the time.

Instrumental Break.

Just like a flower from the vine:  
I go fallin' all the time,  
I go fallin' all the time.

Instrumental Close.
