All around the world statues crumble for me
Who knows how long I've loved you
Everywhere I go people stop and they see
Twenty-five years old my mother God rest her soul

I wanna fly
Put your arms around me, baby
Put your arms around me, baby
I wanna fly
Put your arms around me, baby
Put your arms around me, baby
I wanna fly

Dance a little stranger, show me where you've been
Love can make you hostage wanna do it again
There's no time to think about the starting or the end
We'll find out I'm told, my mother she told me so

I wanna fly
Put your arms around me, baby
Put your arms around me, baby
I wanna fly
Put your arms around me, baby
Put your arms around me, baby
I want to fly

Well all around the world, statues crumble for me
Who knows how long I've loved you
Everywhere I go folks are so good to me
Twenty-five years old, my mother God rest her soul

I wanna fly
Put your arms around me, baby
Put your arms around me, baby
I wanna fly
Put your arms around me, baby
Put your arms around me, baby
I want to fly

Spread your love and fly
Spread your love and fly
Spread your love and fly

Spread your love and fly
