Words and Music by Joy Lynn White and  
Douglas Millett

All the leaves are turning colors  
you're a leaf that's turning too  
We go in opposite directions yeah yeah yeah yeah yeah  
yeah  
For the lack of true affection  
I'd like to let you go  
But my heart can't say goodbye  
Sometimes I just don't know  
Why we keep this love alive  
Why do we keep this love alive  
When we barely even try  
Give me one good reason why  
To keep this love  
Oh we use to be together  
Now were just so far apart  
Was it all just a dream yeah yeah yeah yeah yeah  
Cause baby now that's how it seems  
I'd like to let you go  
But my heart can't say goodbye  
Sometimes I just don't know  
Why we keep this love alive  
Why do we keep this love alive  
When we barely even try  
Give me one good reason why  
The seasons of love keep changing  
I guess weve changed too, oh yeah  
But I never stopped loving you  
I'd like to let you go  
But my heart can't say goodbye  
Sometimes I just don't know  
Why we keep this love alive  
Why do we keep this love alive  
When we barely even try  
Give me one good reason why  
I'd like to let you go  
But my heart can't say goodbye  
Sometimes I just don't know  
Why we keep this love alive  
Why do we keep this love alive

When we barely even try  
Give me one good reason why  
To keep this love
