Didn't have to turn my head whenever you walked in:  
The only one to let make chills roll down my skin:  
My heart beats faster, I hear your name,  
I feel my confidence slippin' away.

Thought I was doin' fine;  
'Bout to get you off my mind.  
I see your face and then I'm wrapped,  
Around your pretty little finger again.

It feels like ages since you laid down in my arms.  
I see no good reason, still I'm tangled in your charms.  
My God, your smilin': You catch my eye.  
Well, my heart is poundin' deep inside.

Thought I was doin' fine;  
'Bout to get you off my mind.  
I see your face and then I'm wrapped,  
Around your pretty little finger again.

Instrumental break.

Ain't gonna let no man go down without a fight.  
My stars an' walls look better in the bright daylight.  
My heart beats faster: I call your name,  
And I feel my confidence slippin' away.

Thought I was doin' fine; (Doin' fine.)  
'Bout to get you off my mind. (Off my mind.)  
I see your face and then I'm wrapped,  
Around your pretty little finger:

Thought I was doin' fine; (Doin' fine.)  
'Bout to get you off my mind. (Off my mind.)  
I see your face and then I'm wrapped,  
Around your pretty little finger again.

Mmm, pretty little finger.  
Baby, I'm wrapped around your pretty little finger  
again.
