I'm happy  
So happy it seems  
In my mind  
I can fake it  
I fake everything

Drifting, drowning, slipping away from myself  
Everyday I misplace me

Where do I fit in  
What's my role in this world  
When can I breath  
When everything I say seems to be the wrong thing

I am broken choking on the air  
I'm lost  
Rip me open  
See what might be there  
'Cause I don't know who I am  
Who I am

Am I happy  
Is that what you see  
I can't find what's inside of me

Where do I fit in  
What's my role in this world  
When can I breath  
When everything I say seems to be the wrong thing

I am broken choking on the air  
I'm lost  
Rip me open  
See what might be there  
'Cause I don't know who I am

Drag me down  
Take me out  
Don't let me show you my soul on a dare, ooh

But still I just can't hide from myself anymore  
Like I'm not really here  
So now I gotta be  
What's inside of me  
Deeper than the stars pull my heart  
What is good enough

Do I measure up  
I can hear me now

I am broken choking on the air  
I'm lost  
Rip me open  
See what might be there  
'Cause I don't know who I am  
I don't know  
Who I am  
I am broken  
I am broken  
Take me out
