Steadily we march along
Join me in the Marching Song
Hand to hand and heart to heart
Bearing each a soldier's part
Come what will beneath the sun
We are soldiers marching on
'Neath the old flag flying free
Marching on to victory

Steadily we march along
Timing step to Marching Song
What though roads be wet or dry
Though be bright or dark the sky
We are soldiers bound to win
Marching on through thick and thin
'Neath our banners flying free
Marching on to victory

Steadily we march along
Ringing out the Marching Song
What though rough be soldiers' fare
We are all our country's care
All its hope and all its love
And its flag is bright above
Flying stainless, flying free
As we march to victory

Steadily we march along
To the soldiers' Marching Song
Little we care, nothing to fear
If our country's foe be near
We are ready for the fight, for the battle of the right
'Neath the old flag flying free
Starry sign of victory
