Stop [Ã—2]

Stop! Dreaming 'bout the good old times  
You need to forgive, forget  
You need to forgive, forget  
[Ã—2]

I was working in the kitchen, trying to earn my lovely hood  
Mama told me be a good boy, Mama, I'm sorry, but I couldn't  
I was drowning in temptations, I'm a sinner to the bone  
Thought I was flowing on the surface,  
I was sinking like a stone  
I don't need your lie, I don't need your help  
I just need myself, and my gun in my hand

Stop! Dreaming...

Oh believe me when I tell you, that life ain't but a sin,  
Too many walls without, too many walls within,  
So walk with me, through the valley of cold  
Don't forget your love, don't forget your soul  
You don't need your past, you don't need my help  
You just need yourself, and a gun to your head

Stop! Dreaming...

Let's drink for the good old times  
We need to forgive, forget  
We need to forgive, forget  
Raise your glass for good old times  
We need to forgive, forget  
We need to forgive, forget
