[Verse: David Stones]

I could tell them sexy ass lips is good for more than
just talk
And I could tell that kitty good by the way that she walk
She know I'm cut from a whole different cloth
From the County of Kings
Where they breed Kings of New York
I met shorty OT at a weekend resort
It was hotter than a bitch so she was rocking some
shorts
With some converses so we started conversing
Told me that she came to kick back and do some soul
searching
I could dig that
Shorty ass fat
Nice rack
Asked her out to eat she said she'd like that
Later on scooped her in the V
You know, all black
Cleaned up nice damn, baby girl you all that
She fly in some heels or some kicks with a snapback
Paparazi on her heels fiending just to snap that
I can't stop staring at those curvy ass hips
And lord the way she licking those lips
Oh, shit
She wanna hop in the ride
Throw on some tunes and enjoy the good vibes
She tired of lies and lame guys that think that they live
That's why I got her mesmerized when I look iin her
eyes she reply
"You the man baby"
Me and my whole team get it in and we roll deeper than
the fucking navy
Them hoes ain't got a clue
Try to play me I force 'em to call audibles
My ex-chick thought she had me where she wanted me
Shit
Where I'm at is where I wanna be
Bitch
But real spit you the one I'm tryna' deal with

Fine as fuck plus somebody I could deal with
She saw what's in my cup and she asked me "what's
that?"
I let her take a sip now she don't know how to act
Shorty staring in my eyes while she grinding on my lap
Then she threw that thing back and made it clap
Oh, snap
Was it something I said that got these haters hating
When they should be grinding instead?
You know you got 'em mentally scared
When they debating on whether you be shining too
hard
I'm on some lowkey shit with a bad ass chick in the spot
Moonlight ricocheting off the watch
Yea I had a couple shots and uh
Nevermind, I forgot
