[Verse 1: David Stones]

I hopped out with that system thumpin  
Get this party jumpin I be stuntin on these mothafuckas  
They ain't saying nothing  
I see them niggas that be muggin  
But them boys be fronting man we really thuggin  
They ain't hurtin nothing  
I just looked at shorty like whatever  
We should get together  
Fuck them dudes you need somebody with some  
cheddar  
Said she been waiting on forever  
To hop up in that seven-forty-five and give it to me on  
the leather  
Then she got a peak at my baretta  
One in the head she never bust one off she asked my if  
I'd let her  
Baby I could do one better  
Why don't you just throw this in your pocketbook  
It's lighter than a feather  
Cause I be waiting on someone to dumb out  
So I could pull that drum out  
Bust one off and then watch everybody run out  
But that ain't even all that I'm bout  
When I'm in the club all them ballers  
And them bad girls come out Cause

[Hook: David Stones]

You could hear that system bumping for you see me  
coming  
I be stunting on these motherfuckers  
They ain't saying nothing  
Niggas run and tuck they woman when they see me  
coming  
I be stunting man these dudes ain't saying nothing

[Verse 2: David Stones]

Shorty told me Stones you be that nigga

That's why them dudes be hating  
So just keep your finger on the trigga  
Everybodies fucking with ya  
Every girl up in my city up on they wall they got your  
picture  
I replied to shorty that's what's up and we should stay  
in touch  
I like you much and shorty I ain't even bluffing  
Then from there we started touching  
After that I took her back to the hotel and we started  
fucking  
You should see the way my niggas rush in  
Hop up on stage we got them niggas wilding  
All them girls be dumbing  
Ayo that ain't even nothing  
Cause when we out of town shit be getting so crazy  
We bring them guns in  
Cause I be waiting on someone to dumb out  
So I could pull that drum out  
Bust one off and then watch everybody run out  
But that ain't even all that I'm bout  
When I'm in the club all them ballers and them bad  
girls come out
