[Verse: David Stones]

I could take you on a trip where they cooking that
potent shit
I saw a fiend who caught a whiff start dancing and do a
split
In the other room a base head took a hit
Your man whole body shifted on some 3:30 shit
Man it's hot summertime got me stressing
When you ain't got no money sunny days are
depressing
But I'm still here so it's a blessing
I'm guessing I', destined for some sort of perfection
Cause when you from the slums and you live to 21 you
survived
The next milestone is 25
I know this shorty and she got a good soul
Trying no to loose control and let them demons take a
hold
She said: "ST please don't let the fame consume ya'
And all the silly rumors ruin your sense of humor"
So I joked with her
It shocked me that she dropped that jewel on me
Cause I viewed her as a little sister
I want her to excel
Cause her pops in a box
Her brother got locked
She need influence from a male
That ain't tryna' get between her legs
She stay 2 steps ahead cause she know just how to
spot the ledge
I made the lil' homies take a pledge
That they won't do nothing stupid that'll land 'em in the
fads
And I'm a show 'em how to get this legal bread
Make your own decisions
Fuck the bullshit that Simon says

[Verse 2: David Stones]

A lot of brothers sinning out of greed

Some do it to stay afloat
Some because they don't believe
Until they feel them hell fires then they start to plead
But it's too late cause they knee-deep in evil deeds
Ayo I'm tryna' match the life that I lead with the life I
believe
Yea it's a difficult task indeed
But nowadays I'm more concerned with purifying my
spiritual
Instead of stereotypical shit they say that niggas do
Nowadays I'm more concerned with purifying my
spiritual
Instead of stereotypical shit they say that niggas do

[Outro: Louis CK Skit]
