I.Green/J.McLaughlin  
You've got what I want  
You've got what I need  
One touch from you  
Brings me to my knees  
You've got what I want  
Baby can't you see  
That no-one else  
Will do for me  
It's three a.m. no matter  
How hard I try, I can't sleep  
I close my eyes into my  
Imagination you creep  
I can almost feel your touch  
Washing over me  
I'm wishing so hard  
That I believe  
We had said things  
That we don't mean  
All the morning light's  
Brought reality  
If I need you  
And you need me  
So don't stop  
Let's get it on  
Babe I miss you  
All night long  
You've got what I want  
You've got what I need  
One touch from you  
Brings me to my knees  
You've got what I want  
Baby can't you see  
That no-one else  
Will do for me  
Don't judge the past  
Babe it's only history  
And let's accept that you and I  
Were always meant to be  
Step back into my life  
Out of my fantasy  
I've got a situation remedy

I told another  
Lady tonight  
Surrender to the  
Feeling down inside  
If I need you  
And you need me  
So don't stop  
Let's get it on  
Babe I miss you  
All night long  
You've got what I want  
You've got what I need  
One touch from you  
Brings me to my knees  
You've got what I want  
Baby can't you see  
That no-one else  
Will do for me  
You've got what I want  
One touch from you  
You've got what I want  
Baby can't you see  
That no-one else  
Will do for me  
If I need you  
And you need me  
So don't stop  
Let's get it on  
Babe I miss you  
All night long  
You've got what I want  
You've got what I need  
One touch from you  
Brings me to my knees  
You've got what I want  
Baby can't you see  
That no-one else  
Will do for me  
You've got what I want  
You've got what I need  
One touch from you  
Brings me to my knees  
You've got what I want  
Baby can't you see  
That no-one else  
Will do for me
