Dawn Of Destiny "Save Us"

Visit "Save Us" on MotoLyrics.com

And every time that I feel dead And every time that I feel lost When it seems there's no one by my side Oh God, I pray to You

And every time that I am down And every time I seem to drown When it seems there's no more hope

Please save us from All the evil in this world Jesus, when The pain is overcoming Even if all our dreams are lost [2x]

Promise to save us, God Divine and glorious

And every time that I am desperate I pray to You So many times I have been waiting for an answer

Please save us from All the evil in this world Jesus, when The pain is overcoming Even if all our dreams are lost [2x]

Just like a child I look to the sky I'm looking for a sign from above Do I only pray To make me feel safer Am I talking to You?
