Now your face is gone
And I am lost, alone without you now
Tears fall as you leave
'Cause once we've been as close as we could be

You have been there
Every time that I have needed you
Still I see your eyes
In front of me so full of sorrow now
Do you even know
How much I miss you since you've been gone

Where are you now
Where are you now
I don't know why it has come this way
Didn't want to stay
So where are you now

No one else will come close
Please don't look back with pain
Oh, I tried so hard
To make it right

Where are you now
Where are you now
I don't know why it has come this way
Didn't want to stay
So where are you now
Where are you now
Where are you now
I don't know why it has come this way
Didn't want to stay
So where are you now
