You were cryin'  
The way it likes to rain  
You're not crazy  
But you're not quite sane  
Heartbreaker  
The words I'll never say  
I said I need you  
You said you didn't feel the same

And I get off just thinking of you  
And the civil war that you put me through  
Now you're lookin' at me like I got something to prove  
And I will  
I will  
Darlin if you stay

My head is spinning  
Like some broken record player  
But she is beautiful  
But I feel nothing for her  
I keep my distance  
From many things but you  
Just give me something  
That I'll pretend to feel

And I get off just thinking of you  
And the civil war that you put me through  
Now you're lookin' at me like I got something to prove  
And I will  
I will  
Darlin if you stay

Your green tight jeans  
And your jet black hair  
With sunn-glasses  
That only you would wear  
Believe in art  
But you don't believe in love  
You were still  
Just a lonely giirl

And i get off just thinking of you

And the civil war that you put me through  
Now you're looking at me like I got something to prove  
And I will  
I will  
And I will  
I will  
And I will
