Our eyes meet all the time
Your eyes panning in on mine

Oh, tell me what
Tell me what you want
Tell me what
Tell me what you want

You've been looking at me for days
I don't go for secretive games

Oh, tell me what
Tell me what you want
Tell me what
Tell me what you want

Tell me what
Tell me what you want
Tell me what
Tell me what you want

I need a kind and honest man
So come and talk to me
If that's your plan
You could be mine

If you want me baby, that's fine
But don't keep up this shy line

Oh, tell me what
Tell me what you want
Tell me what
Tell me what you want

Tell me what
Tell me what you want
Tell me what
Tell me what you want

I need a kind and honest man
So come and talk to me
If that's your plan

You could be mine

I need a kind and honest man
So come and talk to me
If that's your plan
You could be mine

Tell me what
Tell me what you want
Tell me what
Tell me what you want

Tell me what
Tell me what you want

You could be mine

Tell me what
Tell me what you want
Tell me what
Tell me what you want

Tell me what
Tell me what you want

You could be mine
