Song by Sneaker Pimps

No ordinary sin
This perfect working order
I'd rather sink than swim
If I can't walk on water

You let this scandal in
It's perfect world disorder
I'd rather drown than swim
I can't walk on water

This taste of dilution
Velvet divorce, I get bored
(Velvet divorce) I get bored
(Velvet divorce, velvet divorce)
I get bored

I'd sooner sell it cheap
Than tread this limbo culture
It takes a gun to plea
The stone that we've been under

You still take me wrong
I don't need understanding
Let the damage sink
I'm asking, I'm demanding

This taste of dilution
Velvet divorce, I get bored
(Velvet divorce) I get bored
(Velvet divorce, velvet divorce)
I get bored

I'm losing all my days
To nights of blurt salvation
I'm following your days
It's true, I hate creation

This taste of dilution
Velvet divorce, I get bored
(Velvet divorce) I get bored

(Velvet divorce, velvet divorce)
I get bored
