Too much workin' will make your back break
Too much trouble will bring ya heartache
Too much gravy will make ya fat
Too much rain is where ya at

Too much coffee will raise your heart tick
Too much road will make ya homesick
Too much money will make ya lazy
Too much whiskey will drive ya crazy

Too much, just ain't enough
Too much ain't enough
Baby, you're the only thing
I do too much of ain't enough

Too much hot rod get ya a ticket
Too much dog make ya kick it
Too much hidin' out will find ya
Too much you know, what'll blind ya?

Too much wrist watch make ya hurry
Too much waitin' will make ya worry
Too much smokin' will give ya cancer
Too much cocaine ain't the answer

Too much, just ain't enough
Too much ain't enough
Baby, you're the only thing
I do too much of ain't enough

Too much walkin' will wear ya shoes out
Too much juice will blow your fuse out
Too much Mexican food will fill ya
Too much honky tonk will kill ya

Too much chip will bruise your shoulder
Too much birthday will make ya older
Too much map always lost me
Too much fun always cost me

Too much, just ain't enough
Too much ain't enough

Baby, you're the only thing
I do too much of ain't enough
