Now the time is running out for me
I can't sleep, I am fine,
And the world stands still tonight.
Memories are so clear wonder why they don't
disappear
Life is slipping away, sands are flowing and not turning
by.
Wasting my light in a silent cry
Tears are dry by a sweet South wind
No one can heal my silent cry
Coming straight from my heart and sorrow
There's a light coming from the East
You take a stroll....through the trees
Wasting my light in silent cry
Tears are dry by a sweet south wind
No one can heal my silent cry
Coming straight from my heart and sorrow.
Wasting my light in silent cry
Tears are dry by a sweet South wind.
No one can heal my silent cry
Coming straight from my heart and sorrow
No one can heal my silent cry
Coming straight from my heart and sorrow.
