It's time for new ways  
For something else  
Lust for adventure  
A heart beating pulse  
Hope I find deep real integrity  
And this time I will rely on destiny  
Rely on me

let my heart speak  
I will listen, listening to me

Chorus:  
It's all inside, it's all in mind

This emotional bright-shining beauty

And on and on this wheel is turning

I've learned to forget  
To say goodbye  
Saw friendships rise  
Saw friendships die  
I can't stand when love is passing me by  
But this time I won't give up  
Yes I will try
