Time runs out  
For inspections  
For the last attempts of peace  
Resolutions for alibi  
For slaves of greed  
When the bombs of coalition speak  
Blood turns to silence  
With patience they drag us down  
Get up, revolt!

Chorus:  
Show resentment and disrespect  
Let them know that we oppose  
And in remembrance of their victims  
I write this song

See them break  
The law of nations  
And the rules of human rights  
Superior friendly fire  
What a friend would kill a friend?  
Bring them to justice  
With patience  
We'll drag 'em down  
Get up, revolt!

Secret service propaganda  
And a cowboy as commander  
Speaks to fan the flames of anger  
By their weapons they defend their power  
Their way
