Where's the Love?

These silent black tears
These bleeding black tears
I feel them fall

These rolling black tears
These raking black tears
I feel them fall

Where's the love?
Where's this love we're meant to live for?
Where's this love we're meant to live for?
Where's the life?
Where's the life we're meant to live for?
Where's the life we're meant to live for?
Whoa... Whoa...

'Cause I've heard every word you've said
and every evil eye you shot my way
I felt it fall

Yes every knife blade
Yes every arrow shot my way
I felt it fall...fall

Where's the love?
Where's this love we're meant to live for?
Where's this love we're meant to live for?
Where's the life?
Where's the life we're meant to live for?
Where's the life we're meant to live for?
Whoa... Whoa... Oooohh

I call out!
I cry out for love!
Just want to see that smile behind your eyes
I call out!
I cry out for love!
Just want to see that smile behind your eyes

Just want to see some love, love, love
Love... love... Ooo...ooo

Love

Just want to see some life, life, life
Ooo...ooo

I call out!
I cry out for love!
Just want to see that smile behind your eyes
