Kissing you was not what I had planned  
And now I'm not so sure just where I stand  
I wasn't looking for true love  
But now you're looking at me  
You're the only one I can think of  
You're the only one I see

CHORUS:

All I need  
Is just a little more time  
To be sure of what I feel  
Is it all in my mind  
Cause it seems so hard to believe  
That you're all I need

Yes it's true we've all been hurt before  
But it doesn't seem to matter anymore  
It may be a chance we're taking  
But it always comes to this  
If this isn't love we're makin'  
Then I don't know what it is

All I need  
Is just a little more time  
To be sure of what I feel  
Is it all in my mind  
Cause it seems so hard to believe

CHORUS

No stars are out tonight  
But we're shining our own light  
And it's never felt so right  
Cause girl the way I'm feeling  
It's easy to believe  
That you're all I need

Ahhhh  
You're all I need  
Oooooh ahhhhs here"
