We've been together
For quite sometime now
And you still shine in my eyes

I searched all my life
'Cause in my heart I knew
I'd find someone like you

Refrain:
And if I could live (Cause if I could live)
My life all over again
It would still be with you
No one else
Can offer you a heart so true
No one else
Can love you like I do

Chorus:
'Till the sun fails to shine
'Till the clock runs out of time
I will still be in love with you
'Till the moon and the stars
Fail to brighten up the night
I'll still be inlove with you

Bridge:
La, la, la ('till all the seas run dry)
La, la, la ('till flowers touch the sky)

I can see my tomorrow's
In the palm of your hand
There's only you and I

We'll hold forever
And know we will never
Lose the love that we have

(Repeat Refrain, Chorus and Bridge 2x)

.....I'll still be loving you

(Repeat Chorus 3x)
