Don't wanna be the boy  
The denizen, the chump change  
I don't wanna be the next step

Don't wanna be the toy  
The jettison, the chump change  
I don't wanna be the first up  
'Cause we spent the last drop

Who decides if it's alright?  
(Who decides?)  
I said, who decides if it's alright?

Can't touch me, completely  
Reduction so easy

Don't wanna be the son  
The citizen, the chump change  
I don't wanna be the next step

Don't wanna be the same  
The medicine, the chump change  
I don't wanna be the first up  
'Cause we spent the last drop

Who decides if it's alright?  
(Who decides?)  
I said, who decides if it's alright?

Can't touch me, completely  
Reduction so easy  
You can't touch me, not completely  
Your reduction is so easy

I wanna tell you this, I wanna make you dive  
I wanna be the big fish, I wanna see you fry  
I wanna be the big fish, I wanna see you fry  
Yeah, see you fry

Chump change  
And I spent the last drop  
Chump change

Who decides if it's alright?  
(Who decides?)  
I said, who decides if it's alright?

Can't touch me, completely  
Reduction so easy  
You can't touch me, not completely  
Your reduction is so easy
