I don't understand, no, I don't understand
Excuse me
I don't understand, no, I don't understand
Excuse me

Why everything's so lame?
Why everyone's so wasted?
Why everything's so tame?
Why everyone's so sordid?

It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies

I don't understand, no, I don't understand
Excuse me
I don't understand, no, I don't understand
Excuse me

Why everything's so lame?
Why everyone's so wasted?
Why everything's so tame?
Why everyone's so sordid?

It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies

No cheating, no lies, it's got to be
No cheating, no lies, it's got to be
No cheating, no lies, it's got to be
No cheating, no lies

It's got to be your civilised societies
You got nothing for me
Civilised societies
You got nothing for me

It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies
You got nothing for me
It's got to be your civilised societies
You got nothing for me
