Hidden agenda is bigger than you
Hidden agenda is bigger than you
I said, "Hidden agenda is bigger than you"
Hidden agenda is bigger than you"

I said, "Fit the pieces you makes the moves
Hidden agenda is bigger than you"
I said, "Fit the pieces you makes the moves
Hidden agenda is bigger than you"

And you, and you, and you, and you, and you
And you, and you, and you, and you
What ya gonna do?
Yeah, yeah

Now we're sentients, no one can lose
Hidden agenda is bigger than you
Now we're sentients, no one can lose
Hidden agenda is bigger than you?

I said, "Here's the freedom, you made the news
Hidden agenda's still bigger than you"
I said, "Here's the freedom, you made the news
Hidden agenda's still bigger than you"

And you, and you, and you, and you, and you
And you, and you, and you, and you
What ya gonna do?
Yeah, yeah

Be thankful that it's all the same
It's the highest scoring losers' game
And don't regret it just forget it too
Hidden agenda is bigger than you now

And be thankful that it's all the same
And it's the highest scoring losers' game
And don't regret it just forget it too
Hidden agenda is bigger than you

Now what ya gonna do?
Now what ya gonna do?

Yeah I said, "Now what ya gonna do?"
Now what ya gonna do?
