Bet ya!  
They're gonna get ya!  
Sooner, later, one way or another.  
Yes please!  
I wanna see the achilles  
species down on its knees!

(2x)Yes sir (yes sir)!  
They're gonna save us!  
They're gonna save us!  
Subject to status!

Absolution guaranteed,  
For a small additional fee  
And the first will be first  
And the first will be first  
And the last won't last.

Next time!  
I'm gonna get mine!  
Sooner, later, one way or another.  
Next scene!  
I wanna be the malignant instant  
'Watch your back' guarantee.

(2x)Yes sir (yes sir)!  
They're gonna save us!  
They're gonna save us!  
Subject to status!

(status...)

(4x)Yes sir (yes sir)!  
They're gonna save us!  
They're gonna save us!  
Subject to status!
