Drag it down if I want to, drag it down if I want to,
cut it up if I want to, cut it up if I please.
Like never, like no, can't stand it, can't know.
It shouldn't have to be like this - like no.
It shouldn't have to be like this - like no.
Rip it down if I want to, rip it down if I want to,
scum it up if I want to, scum it up if I need.
Like never, like no, can't stand it, can't know.
It shouldn't have to be like this - like no.
It shouldn't have to be like this - like no.
We shouldn't have to be like this, We shouldn't have to
be like this.
We shouldn't have to be like this, We shouldn't have to
be like this.
We shouldn't have to be like this, We shouldn't have to
be like this.
Drag it down if I want to, drag it down if I want to,
Drag it down if I want to, drag it down if I please.
Fuck it up if I want to, fuck it up if I want to,
fuck it up if I want to, fuck it up if I please.
