There are too many people  
Too many of them evil  
Too many are deceitful  
And I don't wanna play

And you don't want to owe me  
Tonight is going to throw me  
Into my ceremony  
If we loved our...

Love your life  
Do what you feel is right  
Then divide  
To a place designed  
Where your minds can play  
And your thoughts can bind  
In an Adimalian

Way x 4

Find yourself a mind

How we humans are so great  
Don't forget to personalise your plates  
Can I have a bag please for my food  
I'll take it home I'll eat it then sue you

Sue you sue you  
This is what I'm gonna do  
Sue you this is what we humans do

Tomorrow is our fetus  
Our oxygen will leave us  
They'll never come to meet us  
And we will pass away

Into another letter  
Where life is just a feather  
It would be so better  
If we loved our lives  
If we loved our lives

If we loved our lives  
If we loved our

Lives x 4
