Disco hit mix by De Romeo's
Help me escape this feeling of insecurity
I need you so much but I don't think you really need me
But if we all stand up in name of love
And state the case of what we're dreaming of
I've got to say I only dream of you
But like a thief in the night
You took away the love that I knew

Relight my fire
Your love is my only desire
Relight my fire
'Cause I need your love

Turn back the times till the days when
Our love was ooh so new!!
Do you remember?
No matter what was happening I was there with you
But if we all stand up for what we believe
And maybe live within' our possibilities
The world would be wild for the dream
So baby don't turn away
Listen to what I got to say

Relight my fire
Your love is my only desire
Relight my fire
'Cause I need your love (need your love)
Relight my fire
Your love is my only desire
Relight my fire 'cause I need
Ooh I need, your love

You got to be strong enough to walk on through the
night (night)
There's a new day on the other side (yeah)
You got to have hope in your soul
Just keep on walking

Strong enough to walk on through the night
There's a new day on the other side (on the other side)

And I got hope in my soul
Well I keep walking baby
Keep on walking baby

Relight my fire (relight my fire)
Your love is my only desire (only desire)
Relight my fire
'Cause I need your love (need your love)

Relight my fire (relight my fire)
Your love is my only desire
Relight my fire
Need your love (I need your love)

Relight my fire, relight my fire
Relight my fire baby
Relight my fire
I need your love
Relight my fire
Your love is my only desire

Doo doo doo doo doo doo doo
Doo doo doo doo doo doo doo
That's the way, I like it
That's the way, I like it
That's the way, I like it
That's the way, I like it
When you take me by the hand,
tell me I'm your lovin man
When you give me all your love and do it
Babe, the very best you can
Oh, That's the way I like it
That's the way, I like it
That's the way, I like it
That's the way, I like it
When I get to be in your arms,
when we're all all alone
When you whisper sweet in my ear,
when you turn, turn me on.
Oh, that's the way, I like it
That's the way, I like it
That's the way, I like it
That's the way, I like it
Say O.K. That's the way, that's the way
Say O.K. That's the way, that's the way
That's the way, I like it
That's the way, I like it
Doo doo doo doo doo doo doo doo doo
Doo doo doo doo doo doo doo doo doo
That's the way I like it
That's the way I like it

That's the way I like it
Say O.K. That's the way, that's the way
Say O.K. That's the way, that's the way
