I am ignoring you  
I will ignore you  
I am ignoring you  
I will ignore you  
'Cause your heart is so  
Full of this shit  
And I will ignore you

Don't bring me your sorrows  
Don't bring me your jealousy  
Don't drown me in your mood  
That kind of thing you do  
'Cause I was not born to be  
The princess up the tower  
Oh, you can't keep me  
Quiet and tied in this bloody cage

I am ignoring you  
I will ignore you  
I am ignoring you  
I will ignore you  
'Cause your heart is so  
Full of this shit  
And I will ignore you, you...

I am not waiting for  
A prince on a white horse just to save me  
I know I have to do by myself  
And this time I will be free

I am ignoring you  
I will ignore you  
I am ignoring you  
I will ignore you  
'Cause your heart is so  
Full of this shit  
And I will ignore...  
I will ignore...  
I will ignore you  
Ignoring you  
Ignoring you
