Yo... Lemme' be straight up I need a job homie
A 9 to 5 man I ain't even got 5 on it
Got this interview but I ain't got no ride
So I guess I'll catch the city bus
Fore' I do I'll get - high

Captain kush for breakfast
Had a bowl this morning
Should be sober by eleven
I'm high as heaven
Popping breath mints,
Only trying to make a nice impression

So I freshen up
crease my slacks
shirt untucked
Put on cologne think I squirt too much
Trying to cover up the purp' I puffed before work bro
I'm fucked
Nigger need work like a clock
Pockets been hurtin' like a mug
Opportunity is in the mud
And dirty I'll get for this 40 hours shit
Sweep and scrub I punch out, shit
Write out the check

Still on the bus - my stop is next
Get off and I walk bout' a block
Still blowin' a bitch - fuck up squat
Hope they don't know that I'm high
Cause' my eyes heavy - eyes cherry
You know that I got me some drops
Now lemme' try to focus
Man I hope they don't notice
Cause I'm...

Too high
Can't come down/Man I'm ???
Losing my head round' round' and 'round
Man I'm ??? in this bitch
I'm ??? at the frame/Can you feel me now?

Man I'm ??? in this bitch
???, ??? up the brain
Man I'm ???

Too high
Can't come down/Man I'm ???
Losing my head round' round' and 'round
Man I'm ??? in this bitch
I'm ??? at the frame/Can you feel me now?
Man I'm ??? in this bitch

So I got the gear
My man really know how I got the shit
So I gotta give all the glory,
Can't live off unemployment
Now they want me to start the next morning
Shit I'm like, "cool"
From 5 am to about 2
Need to find a ride to ride cause I'm screwed
Ain't trying to get fired but what am I to do?

I don't know maybe catch a cab
But I ain't got cash so I have to dash
But then I'm in trainin'
I ain't tryin' to miss not a minute of payment
long story short: yo' I did it and made it

Clocked in ??????????????
Other niggas' there are hatin'
The trainer's obnoxious
And I ain't got the patience
Can't wait to 2 o'clock man when the first break is?
Cause I swear that I'm blazing,
Got a blunt in my pocket
Already rolled up
Went far in a corner - make sure nobody watchin'
So I fired up... (fired up)
Now I'm high as fuck... (I'm high as fuck)
Yo, I already know this the type of shit that a nigger get
fired for

But I wasn't even thinkin' - walked in straight stinkin'
Smelled just like a pound but aint' nobody said shit
Feelin' like I'm on a space ship
Now when I'm comin down ,
Fuck around just tell em' that I'm comin' down with a
cold, no
I could say it's an emergency, gotta go, no
I just roll with it
Man, I'm trippin' I shoulda' brought that cologne with

me

What I don't know is that hi camera was watchin'
I was sittin' in training the manager walked in
Looked me dead in the face and
Said, "meet me at office, don't keep me waiting"
Man I hope that he playin' - but I know that he not
You see where this goin'?
I go in the door then he close it and lock
And he said, "you must be..."

Too high
Can't come down/Man I'm ???
Losing my head round' round' and 'round
Man I'm ??? in this bitch
I'm ??? at the frame/Can you feel me now?
Man I'm ??? in this bitch
???, ??? up the brain
Man I'm ???

Too high
Can't come down/Man I'm ???
Losing my head round' round' and 'round
Man I'm ??? in this bitch
I'm ??? at the frame/Can you feel me now?
Man I'm ??? in this bitch
