No inspiration no motivation

Me and my girl those ups and downs .. no relation

Whatever you are there live moved on

Shit we thought we wouldn't even made it but look how

far we are gone

Talking about becoming a celebrity over night the success

turn me into an antisocial social live

Bitch I am on a roll crack over the engine let the

good times flow I would be only set things on fire

Let the times smoke when did it vaporize I am just

let this heroine did .. like you just didn't know

Do I live on your expectation so you wish I won't make

it cause I don't respond to your salutation

Let's .. mate put that on everything true we are in

the same gang but things do change

Can't you see I am trying to move on I am all about

my business can I give a couple yo

If is not my business .. enough to get them down meat me in the .. break it out,

Is a .. to the fact kiss my ass move to your back me I am in passenger trapped up

My seat on the left I am not worried about the other ..me on my last put it in .. bitch I got

Nona of you are part of that get the fuck of me now

I see how a lot of niggers .. acting like

Bitches and I don't like bitches unless a bitch is

bad can I get the witness can I get the witness

This would be my last time that I have to tell you

this we ain't cool I have never been the type

Of friend that help a friend I learn from now they

got to turn it back to bite you and then they turn again My nigger

Can't you see I am trying to move on I am all about my business can I give a couple yo

If is not my business .. enough to get them down meat me in the .. break it out,

A uuuuuuuuu auuuuuuuuu

A uuuuuuuuu auuuuuuuuu

A uuuuuuuuu auuuuuuuuu

Yeah long i don't look for the trouble

Don't look for the trouble
